Subject and speaker.	Summary of discussion	Reply of Govt.
Subject No. 405 **Widening the bund of Kempasagara tank.** **Mr. Ranga Shetti, Mr. Narasimhaiya of Magadi taluk.**	Kempasagara tank is a large one; but its bund is very narrow, and should be widened for the convenience of carts and men going to Hutridrug sante. Repairs are also required.	The matter will be looked into by Public Works Department.
Subject No. 406 **Reduction of P. W. allotment for the Bangalore-Hindupur road and the utilization of the amount thus saved in improving certain other roads. Mr. Naranappa Mr. Karigiriyappa and Mr. S. Puttanna of Dodballapur taluk and Mr. Venkatnaranaiya of Dodballapur Municipality.**	Traffic by road having diminished considerably since the construction of the Railway, the mileage allotment of the Bangalore-Hindupur road may be reduced by one-half, the amount thus saved being spent upon the improvement of the roads between Dodballapur and Nelamangala and Nandi and Sompur.	Referred to Public Works Department for consideration.
